Martina Bär
Theologian

Your Responsibilities

- Writing a dissertation at the University of Graz in the area of moral and political philosophy, preferably on issues of intergenerational justice, climate justice, historical justice, and transitory justice
- Collaboration in (interdisciplinary) research projects especially at the interface of philosophy and economics or law
- Independent teaching of courses and participation in teaching and examination tasks of the department
- Supervision of students

- Participation in organizational and administrative tasks as well as in evaluation measures
-

Your Profile

- Completed diploma or master's degree in the area of Philosophy
- Excellent knowledge of written and spoken English
- Willingness to acquire German language skills
- Very good MS Office skills
- Academic curiosity and interest in addressing current research questions
- Ability to work independently and show initiative
- Strong teamwork and organizational skills

The following documents are required for a complete application:

- Letter of motivation and academic CV
 - Complete proof of completion of the degree program required in the call for applications
 - The language certificate required in the curriculum in the language in which you would like to complete the doctoral program (please note: admission required!). The doctoral program with a specialization in Philosophy is offered in German or English.
-

We offer an annual gross salary of € 52,007.20 for a fulltime position.

We Offer

- **Meaning:** We offer meaningful work for the world of tomorrow.
- **Collaboration:** With us, you'll find interdisciplinary, cross-professional opportunities to work together.
- **Diversity:** Besides our various scientific fields and their related issues, we offer a working environment in which diversity is lived.
- Our internal continuing **education program** is as colorful as the university itself.
- **Benefits:** Of course, there are all the usual benefits, from A "access to healthcare services" to Z "Zero emission goal".
- **Flexibility:** We demonstrate flexibility not only with the various working time models but also through the offers for the compatibility of family and career.

About us

At the University of Graz, 4700 employees work together on future questions and solutions for the world of tomorrow. Our students and researchers face the great challenges of society and carry the knowledge out. We work for tomorrow. Become part of it!
